Matters arising from last meeting: Sound system funds have been boosted by a £450 donation from Weston and District Society. Possibilities of leasing a system are being looked in to due to the continual costs of updating equipment. The "Salvage Hunter" has been sent pictures of the hall lights to see how much they could be worth.

Chilli Bingo: Raised about £320 and was a very successful evening. The profit was about £200 as the cost of the food and prizes was about £100.

Summer Fayre: Letters would start to be sent out soon in regards to contributions towards the summer fayre. C Ashworth agreed to contact the Ice Cream man and the Life Boat people would also be asked to attend. It was mentioned that the raffle system was confusing, but J Parker and C Ashworth agreed to resolve this in time for the event.

Any other business: J Bevan and C Ashworth would like £100 towards the cost of the Easter Egg Hunt for this year. It is always a very popular event for the pupils!

Date of next meeting: Monday 20th April 2015 at 5pm.
