

Maddison's Marvellous Medicine

It was a beautiful **Sunny** Monday and **Maddison** was about to try her Medicine number 1 on her donkey named Cielo.

It was a *snowy Tuesday* and Maddison was about to try
Medicine

number 2 on the next donkey but nothing happened. The
next day Maddison went to see her Donkey but there was
a Unicorn with a blue main and a Black silver horn.

It was a sunny Saturday and Maddison was about to try her Medicine number 3 on her horse. The Horse turned Purple and grew green scales.

*They never made a
Medicine ever again.*
