"Huh" Steve said. Another portal
appeared. "Who are you?" Said Paul

Stoner. Elf. and engineer. Paul made them
all a drink and they turned into chickens.

Medicine 2

Wow said Paul a noise came from the living room **GET ME MY TEA NOW!**

Grandma said. "Grandma," Paul said.

Grandma said I should hope I get my tea soon. Paul said. I have an idea I'll make a drink for her to drink. Paul ran across the house to collect items for the drink.

After Grandma had her drink she turned into a witch.

Paul Washington gave the witch another drink and she turned into a toad and then into a dinosaur.

*After a few hours everyone turned
themselves again and then everyone was
happy again.*

And they lived happily ever after
